- PA1, PA02ST (desirable but not essential)
- BASIS NSK Storekeeper (desirable but not essential)
- Full Driving Licence
- Fork Lift Licence (desirable but not essential)

JSD Rail have been involved with the National Rail borne Weed Spray planning program and Seasonal treatment fleets for nearly 20 years. We are looking for highly motivated enthusiastic people to fulfil the role of maintainer/operator. You will need to be self-motivated, capable of working independently as well as with other members of the team. The role is a key part within the business, and you will be responsible for ensuring that equipment is maintained and operated to the highest standards. Attention to detail is paramount. The role involves a level of travel and working away from home. A knowledge of the Railway would be an advantage but is not essential. Full training will be provided.
