

We are Recruiting.

JSD are looking for Maintainers.

The Role – We are looking for rail vehicle maintainers to work on various NR seasonal fleet vehicles and the ENVU trains. The successful candidate (upon successful completion of medical, D&A screening and Sentinel PTS) would receive full training and would then help deliver our Weedspray, Autumn and Anti ice contracts. Previous rail experience is not necessary – however a recognised qualification in heavy plant maintenance or vehicle maintenance is essential.

The benefits – Competitive Salary with OTE £48k+, Company Van and Fuel Card, 20 days holidays + Bank Holidays, monthly bonus scheme (upon successful probation completion) + Christmas Bonus.
